

**BARBER WRECK NOT AS SERIOUS AS REPORTED**

LOMITA.—The friends of Mr. and Mrs. Ellis Barber of 2613 Orange street are glad to know that early reports of their accident last Thursday night were much exaggerated. The Barber car skidded and turned over on its side, resulting in a sprained back and severe bruises for Mrs. Barber and severe bruises for the five-month-old baby. They were removed to the General hospital for treatment. Barber and his five-year-old son and Mrs. Nellie Webb, who were also in the wreck, were slightly bruised.

## Narbonne Carnival Draws Big Crowd

LOMITA.—The third annual carnival of the Lettermen's club at Narbonne High school was held Wednesday afternoon and evening when side shows, skits and stunts drew the money from the many, for the annual carnival is one of the highlights of the year.

The side show freaks proved more temperamental than prima donnas, the wild man objecting to the proximity of the man-eating fish and the midgets having the fleas if the flea circus performed near them. Ralph Adams was chairman and Stanley Aspitte, publicity manager. During the evening dancing was enjoyed to the music of the jazz orchestra under the direction of Mr. Waterman. The proceeds will be used to pay the athletic debt.

## ERICKSON HOME SAID HAPPIEST IN LOMITA

LOMITA.—One of the happiest, if not the happiest, homes in Lomita is the Erickson home at 1829 Pennsylvania street. All week the house has been filled with flowers and friends.

"It seems like years, but it is only three months," said Mrs. Erickson, speaking of the days she spent in the county jail because of her acquittal of the charge of poisoning August Lindstrom. Mrs. Erickson has lost many pounds since her confinement but she says she never at any time was nervous about the outcome.

But she did fear she would not be home in time to see her son, Ernest, in the Senior play and to attend his graduation. To all who helped her in any way, Mrs. Erickson is extremely grateful and stated she could not find words to express her thanks.

## ALLEGED "SHINER" TO GET HEARING FRIDAY

LOMITA.—Larry Teran will have his preliminary hearing Friday at 10 a. m. on a charge of possessing a still. Deputy Sheriff Gallardo searched the Teran place on Amelia street in the Shoostringer strip last Thursday and claimed to have found a 50-gallon still, a five-gallon jar of alcohol mash, high pressure gasoline burner, as well as other paraphernalia for manufacturing whisky. Three barrels of mash, said to be composed of prunes and canned pineapple, were found. The still was underground and the dry squad had to dig a tunnel before they found the evidence.

## TO INSTALL OFFICERS

HARBOR CITY.—The Harbor City P. T. A. will install officers June 9. Mrs. S. J. West was elected president; Principal Grindley, first vice president; Mrs. W. H. Milton, second vice president; Mrs. Hattie Barker, secretary; Mrs. M. Adeock, treasurer; Mrs. W. Wilkins, auditor, and Miss Helen Smith, historian.

## P. T. A. BIRTHDAY

LOMITA.—Lomita P. T. A. held its annual birthday tea Wednesday afternoon with tables for each month of the year. A fine program was given, opening with singing by the assembly, then a tap dance by Robert Brown, accompanied by Adelaide Groover; a piano solo by Miss Groover; recitation by Mrs. Thach's room, and a lullaby by Henry Jones and Rose Marie Kerber.

## BOYS' CHOIR SINGS

LOMITA.—The first appearance of the boys' vested choir of the Community church was last Sunday and the young fellows who have been rehearsing under the direction of Harold Coakley made a most favorable impression. Sterling Seckler, 11 years old, gave a most pleasing solo. A few more boys could be used and should see Coakley.

## JOINT OBSERVANCE

IS GIVEN BY P. T. A.

LOMITA.—A program in honor of Mother and a May Day celebration was given jointly by the Lomita P. T. A. Wednesday. Mrs. Doane's room gave the Maypole dance and the Kinderband furnished music. Annual reports were given by each department and election held. Mrs. L. A. Stump will serve as president; Mrs. E. M. Mosher, first vice president; Mrs. Joe Morris, second vice president; Mrs. Rye, third vice president; Mrs. R. M. Jones, auditor; Mrs. F. Anderson, historian; Mrs. H. I. Calkins, financial secretary; Mrs. G. Carvill, treasurer. A feature of the program was the splendid talk on spiritual education by Mrs. Mosher.

## LAST OF ESPEE'S \$1 DAY TRIPS ANNOUNCED

Early summer vacation travel throughout California and a half dozen neighboring western states will be launched auspiciously Thursday, Friday and Saturday, May 28, 29 and 30, with the re-establishment of cent-a-mile round-trip fares by the Southern Pacific Company, according to announcements today. It will be the last of the summer season's "dollar days."

Designed to stimulate vacation traffic at its outset, the low-fare excursions will have the added attraction of a 12-day return limit, according to C. L. McPaul, passenger traffic manager for the company in this district. Tickets sold only these dates and the "sales" will be good until midnight of Monday, June 8, he declared.

## LOMITA WINS 10-FRAME GAME WITH TRAVELERS

Fisher of the Los Angeles team made the only home run. Yelovich pitched for Lomita.
